LIMITATION OF LIABILITY
This information is based on technical data believed to be accurate and reliable, but is furnished without any express or implied warranties. MCM Paints will replace such quantity of this paint that is proved to be defective. LABOR OR COST OF LABOR AND OTHER CONSEQUENTIAL DAMAGES ARE HEREBY EXCLUDED.

WARNING! Removal of old paint by sanding, scraping or other means may generate fumes that contain lead. Exposure to lead dust or fumes may cause brain damage or other adverse health effects especially in children or pregnant women. Controlling exposure to lead or other hazardous substances requires the use of properly fitted protective equipment such as a respirator and proper containment and cleanup. For more information call the national Lead Information Center at 1-800-424-LEAD.
